

Claro Club Christmas Dinner 13th December 2017

Many thanks to Richard Kirk for organising this year's Christmas do.

17 of us gathered for a good, lively evening in SO! bar Otley Rd.

A little "spot the Claro area by contour" quiz was included with pre-dinner drinks and chat.

"Someone" was spotted using their phone (a grid reference maybe), and stopped – can't have electronic aids, it's orienteering after all.

The chat was just a bit more subdued when everyone was eating:

Thanks to Ruth for the photography.
