Wrong:

Thank you to everyone who came, it was an excellent turn out helped by the lovely evening I suspect. Congratulations to Tim Evans who just sneaked in ahead of Stephen Fry. Although Matthew would have been a fine winner had he not lost track of time! Well Done to James and Richard who were trying Street O for the first time. We hope to see you again soon. Not many wrong controls though No 27 seems to have got lots of different answers so I've allowed them all as the lamppost was obviously unclear here. We hope to see you in two weeks time, somewhere in Harrogate! Keep an eye on the website for more details soon. By then the clocks will have gone back so it really will be a dark event.
