Comments:

Thank you to all those who were undeterred by and navigated around the 'road closed' signs to the Lampo in Burn Bridge. We were blessed with dry weather and although it was a relatively small area, the hillsides in Burn Bridge and Pannal kept people exercised. My armchair planning/plotting was a little remiss for controls 2 & 11 so I have made allowances for those. Well done Ruth Vicky and Tim for clean runs. The Black Swan with its warm fire was a welcome place to catch up afterwards.

Our next Lampo will be will be in Central Harrogate on 7th Feb - easier to get to - see you there!

Thank you

Susan
