Wrong:

Thank you to everyone who turned out on an icy night. Although cold and a bit slippery underfoot it was a fine evening. Congratulations to Leon on his win and to Matthew and Ruth for getting all the controls. Steve only missed one out as well. I think number 12 was a little ambiguous on the ground so I have allowed 4 and 5 to count. When planning the event I chose to have two tight clusters of controls so you could both find lots of controls and have to concentrate whilst twisting and turning. I hope I succeeded. It was great to see some new people trying LampO's for the first time and we look forward to welcoming Emily and Andrew again soon. See you all in two weeks time in Central Harrogate. Look out for the meeting point on our website.
