Wrong:

Wow – What a turn out! Thank you to everybody who came tonight for our first LampO of the season. I hope everybody enjoyed the courses, planned at the last minute by Andrew as I succumbed to the dreaded lurgy at the weekend. Thank you Dear! Several people got all the controls which was our aim, and more of you only missed out a few. It was lovely to see some new faces. We hope you enjoyed the event and look forward to seeing you again. It was also great to meet Peter Brooke, the England Development Officer for British Orienteering who joined us tonight, getting a taste of orienteering LampO style for the first time. Hornbeam Park makes for a nice compact area and I hope it meant that most of you could avoid the road closures for the World Champs. If any of you managed to catch the time trial beforehand it sounded a really exciting race. Sorry to have missed it but looking forward to supporting in force this weekend. Lizzie Deignan cycling past the end of our road!

Our next event is in two weeks time from the Kairos Church Hall near the centre of Harrogate. It will be followed by our AGM. Tea, cake and biscuits will be provided after your run, instead of a drink in the pub. All are welcome to join us for refreshments and don't be worried, we won't expect our guests to stay for the AGM – but you are more than welcome if you wish! See you then. And don't forget - the daylight just about held out for us tonight but headtorches will be needed next time.
