

### **Organiser's Comments**

Thanks to all who turned up at Brimham & squeezed in to the desperately full car parks.

The event was the YHOA Middle Championships & prizes were given out after the courses closed. There were certificates for first 3 MW 10 > 16, first MW 18+. If you did not receive yours on the day & believe that you should have one of these contact the organiser David Day: [ripondays@gmail.com](mailto:ripondays@gmail.com)

Lost property: a youth's black/olive hooded jacket left near the start, contact as above.
