Org	Richard Corfield	Organiser						

Congratulations to Richard Corfield for staging his first Street O MapRun, he was the third new planner in this six event series. The controls were well distributed with a good number of controls for all to get. Thank you to Richard Kirk for mentoring this event.

The onset of ice just as the event began added an unexpected twist to the event, I am glad that you all returned safely. While it had been thought about prior to the event, it was felt that that danger had passed with the rains a few hours earlier.

Well done to Harry for coming out in front on his first mapRun event; to Anne Fairbank for pipping a close run ladies event; to Paul for his first MapRun. It was especially good to see the return of Kerensa who has been too long away from our events.

See you hopefully at the new series that starts Tuesday 9th January, venue to be announced. Richard Kirk is looking for planners if you are looking for enlightenment.
