Org	Sean Molloy						

Sean Molloy was yet another newcomer to the Street -O planner/organiser role, and just as those before, he fulfilled it admirably.

While he may have had us running a bit further than normal, and up a few more cul-de-sacs than we like, this was all justified by the extra appetite needed to face the buffet feast laid on afterwards. Having discovered that there was no food on offer on a Tuesday, Sean did not despair but negotiated a cold buffet with externally supplied supplements.

See you in Harrogate on the 20th Feb.
